We can easily house indoor venues for a group as large as 120 or host up to 400 for an outdoor event. Or, if you need either lunch or dinner brought to you, our team can cater on location for as few as 10 or as many as 400 people. From small, intimate celebrations to lavish parties, we are able to serve a large variety of hors d'oeuvres, a buffet, or a sit down lunch or dinner that is sure to please every palate.

When we cater your event, you can relax as our team carries out your pre-determined menu and schedule. We will set-up according to your specifications and will clean-up so you don't have to. In simple terms—we take the burden away...leaving *you* the freedom to actually enjoy your special occasion.

And, for those joyful ones planning a wedding, we pledge to honor your requests. Because we think that nothing is more thrilling and romantic than a beautiful wedding, all the members of our team dedicate themselves to helping the bride's dream bridal luncheon, rehearsal dinner, and reception come true.
